School Rivals Battle Against Hunger

2016 “Battle Against Hunger” Oct. 10–15 at Fordson and Dearborn High

There's nothing quite like the anticipation and energy that comes when two rival high schools are pitted against each other on the football field. Is there anything that can possibly match or even top the fervor of feuding football rivals? There’s only one answer in Dearborn: the fight over donating canned goods.

Last year’s “Battle Against Hunger” challenge saw rivals Dearborn High and Fordson transform into a huge competition of goodwill to feed area families. The two schools combined brought in just over 40,000 cans of food, with Fordson winning the first “Battle” - collecting 23,000 cans.

Dearborn High is looking for payback this year, in a way that will help even more families. “We are ready to beat Fordson this year,” said Dearborn High Class of 2017 president Hussein Bazzi. “Losing to Fordson last year will drive us to donate more.”

Gleaners sends boxes to each school to collect goods during the week of the game. The collection begins Monday, Oct. 10. Students also donate money; one dollar is equal to four cans of food. Once the donations are collected and counted on the Friday of the big football game—Friday, Oct. 15. The winning school is announced at halftime.

As Marwa Hachem, a student at Fordson, can tell you, the actual road to victory can get more heated than you think. “For sure,” said Hachem, also the school’s student president. “The rivalry is established. We get that adrenaline going.”

The competition may be about beating each other, but what they’re doing is feeding nearly 10,000 people.

Hachem says that students gain a lot more than perks and bragging rights helping Gleaners feed those in need.

“I hope everyone prospers because we care a lot about helping people. Go Fordson!”

“We’re ready for Battle Against Hunger, we’re ready to raise a lot of cans, we’re ready to beat Fordson this year,” countered Dearborn High’s Bazzi.

No matter what, everyone reaps the benefits from helping out in the Battle Against Hunger challenge.

“We want to beat Fordson,” Bazzi said, “but we also consider the fact that we are helping a lot of people.”

This year’s “Battle Against Hunger” begins Monday at both schools.

“Happenings”

Some point to the quick wit of the host, others say it was the radiant personality of the Superintendent, but most likely it was the engaging dialogue of the guest that brought back the District’s newest video program for another season.

“Happenings in the Dearborn Public Schools” kicked off with a program on Internet and Social Media Safety. Board Trustees joined Superintendent Maleyko and Communications Director David Mustonen to share their unique perspective on the topic.

Protect Kids – Drive Safely!

Dearborn Police Stepping Up Enforcement Around Schools

Poor driving habits, parking violations, and aggressive driving near schools all create an unsafe environment for children. The Dearborn Police Department is asking parents and the community to do their part in promoting "safe and orderly school zones" to ensure child safety.

Police Chief Ronald Haddad stated, “We are encouraging everyone to not only be safer drivers but better neighbors to those residents who live around the schools. As a team, we can promote a safer community.”

The Police Department is actively enforcing traffic laws around all school zones.

Click here for the complete letter from the Chief to the community; tips on safe driving; and an overview of fines for failing to obey traffic laws around schools.

Public Service Days in Effect: No Street Parking on Trash Days

Public Service Days on Dearborn trash days are in effect for 2016 through Nov. 25.

Avoid tickets by keeping parked vehicles off streets 8 am- 4 pm on trash days when the city provides services such as more efficient trash and recycling pickup, street sweeping, tree trimming, and sewer maintenance.

Vehicles parked on the street on trash day/Public Service Day will be ticketed. Warnings are not issued. (Note: Do not park vehicle across the sidewalk, on the front lawn or on the easement.)

Information about Public Service Days is available through the automatic information line at 313-943-2886. For Public Service Day parking hardship exemptions, call 313-943-2276. Additional information is available at www.cityofdearborn.org.

Annual Robert Cipriano Cross-Country Meet Set For October 15

The fifth annual Robert Cipriano Cross-Country Meet will get underway at 8:30 a.m. on Saturday, Oct. 15, with a one-mile run/walk for Dearborn Public Schools staff members at Dearborn’s Ford Field Park located at Brady Street and Monroe Street.

For students, the fun begins at 9 a.m. when hundreds of fourth through eighth graders will hit the course in a series of one and two mile races started at half hour intervals according to grade level and gender. The event is an opportunity for elementary and middle school teams from across the district to engage in some friendly competition while at the same time growing an interest in the sport of cross country and track.

The entire community is invited to come out to Ford Field Park to support the student runners and cheer for your favorite school!

“This event ties in well with the District’s effort to promote habits that create healthy lifestyles. It really supports the overall efforts by all involved in the city-wide Healthy Dearborn program,” commented Dearborn Public Schools Superintendent, Dr. Glenn Maleyko.

Once again, the district has teamed up with the Dearborn Track Club and the City of Dearborn to coordinate the event. Last year, more than 750 students took part and this year, if the weather is good, over 1,000 are expected to participate. A brief awards ceremony will follow each race with the top 10 finishers receiving a medal.

Mr. Cipriano was the District’s Director of Business Services for more than 10 years. He also oversaw athletics in the District. Bob was tragically killed in April, 2012 when two young men broke into his home and attacked him, his wife, and son. Mr. Cipriano, an avid runner, was working with the Athletic Directors to create a running program for middle and elementary students that would encourage competition, lifelong fitness, and fun. The Cipriano Memorial Race is a fitting tribute to Bob’s work in the Dearborn, his commitment to the children, and his love of running.
Former District Employee Needs Assistance with Medical Expenses

Bob Trumble served students and families for nearly three decades as a foreign-language resource specialist for the Dearborn Public Schools. Three years ago, the retired employee suffered a simple slip and fall that changed the course of his life. Today Bob needs 24-hour care.

Donations to help Bob can be made to the nonprofit HelpHOPELive. The organization manages money raised through its medical fundraising websites and pays bills directly, helping patients and their families focus more on their treatment and recovery while providing accountability to donors who can be sure their funds will be spent for their intended purposes.

Because HelpHOPELive is a nonprofit, the financial support we provide to patients and their families does not jeopardize their medical coverage status. Contributions are also tax deductible.

For more information about Bob or to make a donation, please click here: https://helphopelive.org/campaign/10403.

Parking Changes at UM-Dearborn

The University of Michigan-Dearborn parking lot changed to include parking spots designated exclusively for visitors.

Visitor parking spots are located in lot E5, adjacent to the Admissions Office in the University Center, the third floor of the Monteith Parking Structure on the north end of campus and in lot F behind the Fieldhouse.

Visitors wishing to park in those spots should pay at a meter located near each of the three locations.

Students, faculty, and visitors that do not park in their designated areas will receive an $80 parking ticket.

Parking on campus is open on weekends and after parking enforcement hours, which are from 7am-7pm Monday-Thursday, and 7am-4pm on Friday. The parking structure is closed on the weekend.

**Order Free 2017 Dearborn Calendar Until Oct. 31**

Dearborn residents are invited to order a free 2017 City of Dearborn Calendar through Monday, Oct. 31, 2016.

Place your order online at [www.cityofdearborn.org](http://www.cityofdearborn.org). Online ordering is efficient, accurate, and saves taxpayers money because the process does not require staff time.

Dearborn residents without access to the internet may order a calendar by calling a voice mail box at 313-943-3003. Please give your complete street address, zip code, and, if applicable, your apartment or flat number.

Residents may request one calendar per household. Calendars will be mailed by Dec. 30.

The City Calendar includes important dates, phone numbers for government departments, the curbside recycling schedule, budget information, and other useful City information.

**HOW DO I LIST AN ITEM IN THE e3 Classifieds?**

If you have an item (furniture, car, boat, camper, house, lawnmower, disco ball, etc.) that you would like to have listed in the Classifieds, please e-mail the information to [communications@dearbornschools.org](mailto:communications@dearbornschools.org). Let us know that this is an item for the e3 newsletter Classifieds. Anyone listing a home for sale must be the owner of the home and you must be a current district employee. Also, please do not include a school phone number. We don’t mind listing items but all transactions and discussion should take place on personal time. Please provide a brief description of the item that includes:

1. Seller’s name, phone number and/or email address
2. Up to 3 photos of the item for sale
3. Description such as: * Price (can be specific dollar amount or “best offer”), * Size, color, year, make, model, special features/attractions

When we receive a classified it goes in the list of items and remains until we are contacted and asked to remove the item. **Items that begin with red text are new items.** Remember, this publication reaches about 2,200 staff members!
